YOUTH PROGRAMS

Overview - District Lead Programs

Why is Youth Protection Important to Rotary?

- ❑ SAFETY - Rotary is committed to ensuring safe and positive events to young and vulnerable people.
- ❑ REPUTATION – Rotary wants to protect itself from the reputational damage that can occur when a member's harmful behaviour becomes publicly known.
- ❑ RISK MANAGEMENT – In order to prevent harmful incidents from occurring policies and procedures like the Youth Protection Policy are key.

How do we Protect Youth?

- ❑ Be familiar with the basics of the Youth Protection Policy
- ❑ Plan ahead for youth related events and know the different event risk levels:
 - **LEVEL 1: Rotary is not the primary organiser**
 - Know the organiser's policies and procedures
 - **LEVEL 2: Rotary is the primary organiser & it's a non-overnight event**
 - Have every volunteer complete the **RI Learning Centre Training Module "Protecting Youth Program Participants"**
 - Have every volunteer complete Rotary Volunteer Forms
 - **LEVEL 3: Rotary is the primary organiser & it's a overnight event**
 - Complete all actions at Level 2 Plus
 - **Complete Police Checks** on every volunteer
- ❑ Email training module certificates and police check information to the Youth Protection Officer (YPO) at **youthprotect@rotarydistrict9920.org**

Youth Protection at Events

- ☐ **When Youth Protection applies** – must have short pre-event briefing for all volunteers
- ☐ Avoid 1 on 1 contact wherever practicable – **rule of three**
- ☐ If incident occurs respond appropriately –
 - ☐ take it seriously, inform **event organiser, DG & YPO**
 - ☐ If in any doubt, contact one of the YPO's for assistance and advice on process
 - ☐ On advice of the YPO contact the Police
 - ☐ Treat complainant/victim sensitively.
 - ☐ If major disclosure made, do NOT continue with interview – leave this to police or other experts

RotaKids (with Irena Giles)

Why have RotaKids?

What is RotaKids?

RotaKids

...helps kids grow
into responsible citizens

RotaKids builds self esteem, develops leadership skills and introduces young people to community service through Rotary.

Citizenship is an important part of the school curriculum. Setting up a RotaKids club in your school, in partnership with your local Rotary club, will help your pupils (aged 7-12) to grow into responsible and caring citizens, showing them how they can make a positive impact on their community... and have fun doing it.
